Error Failed to resolve dependencies org.grails.plugins:quartz:1.0-RC2

Erro ao baixar dependência do plugin quartz no grails

```
| Configuring classpath  
| Error Failed to resolve dependencies (Set log level to 'warn' in BuildConfig.groovy for more information):  
- org.grails.plugins:quartz:1.0-RC2
```

Solução

Adicionar em repositories no BuildConfigure.groovy

```
grailsRepo "https://grails.org/plugins"
```
