Grails + GVM + GitBash + agent library failed to init: instrument

Erro ao rodar o grails no Windows, usando o GVM com o Git-bash

```
Error opening zip file or JAR manifest missing : /c/Users/Ricardo/.gvm/grails/2.2.0/lib/org.springframework.springloaded/springloaded-core/jars/springloaded-core-1.1.1.jar
Error occurred during initialization of VM
agent library failed to init: instrument
```

Solução

```
$ grails -javaagent:/c/Users/Ricardo/.gvm/grails/2.2.0/lib/org.springframework.springloaded/springloaded-core/jars/springloaded-core-1.1.1.jar
```
