

ARTIGO: 11494

nativescript unrecognized option static libtool

Erro ao instalar Nativescript no Mas OS node v0.12.4

```
LIBTOOL-STATIC Release/libffi.a  
libtool: unrecognized option '-static'  
libtool: Try `libtool --help' for more information.  
make: *** [Release/libffi.a] Error 1
```

Solução

```
export PATH=/usr/bin:$PATH  
sudo gem install libv8 -v '3.11.8.11'
```
