Nativescript + Android 9 Nougat + http failure response for url 0 unknown error

Error HTTP request on Android 9 Nougat:

```
http failure response for url 0 unknown error
```

Fix:

In AndroidManifest.xml set usesCleartextTraffic = true on application element:

```
<application
  android:name="com.tns.NativeScriptApplication"
  android:allowBackup="true"
  android:usesCleartextTraffic="true"
  android:icon="@drawable/icon"
  android:label="@string/app_name"
  android:theme="@style/AppTheme">
```
