

ARTIGO: 11932

AWS EC2 reduce cache memory usage

Check memory usage

```
free -m
```

Script

```
#!/bin/bash  
sync; echo 3 > /proc/sys/vm/drop_caches
```

Add on crontab

```
* * /1 * * * /opt/appserver/script-server-limpar-memoria-buff-cache.sh
```

Run script

```
opt/appserver/script-server-limpar-memoria-buff-cache.sh
```

Check memory again
